Important Information:

- Upon completion of your preliminary mission trip schedule, Mission NYC will prepare and email you a deposit schedule that will outline in detail, all fees that pertain to those services that you requested Mission NYC to handle for your trip (i.e., ministry opportunity scheduling, housing, NYC park permits, sightseeing activities and airport shuttles). In addition, your deposit schedule will include our \$20 one-time registration fee/pp and a trip planning, scheduling & coordinating fee of \$54 per person
- We recommend that your group bring one adult for every 5 students under the age of 18. You should also have at least one adult who is of the same gender as the students.
- **Please Note** – Once in NYC your mission trip is self-guided. However, in advance, we will furnish you with tools like a, smartphone app that calculates your travel directions & time (walking & public transportation) between locations along with maps and detailed contact information and a handy 2 page listing of the addresses for your trip. You also have the option to request a City Host who Mission NYC can secure for your group. The City Hosts picks you up in the AM and brings you back at the end of the evening for the entire trip. FYI, the City Host charges a fee for their support.
- If your group is larger than 15, you may need to be divided into smaller groups depending on the ministry opportunities you select. **Groups must have a minimum of 10 people. If size falls below 10, the group may be billed as a group of 10.**
